1. [REDACTED] Checked with the Foreign Affairs Committee staff several times during the day but the transcripts of Mr. Crockett's testimony on the Foreign Service Act amendments had not been received. The present indications are that the transcripts for the testimony of the 19th and 20th will probably be received together late in the day on Friday, the 21st.

2. [REDACTED] Met with Mr. Henry Kase, Counsel, Government Information Subcommittee, who advised that he met with the Chairman, Mr. Moss, yesterday and also met with Mr. Lanigan, the Counsel to the full Government Operations Committee. Mr. Moss acquiesced in a meeting with me to review our classified response to the questionnaire forwarded with his letter of May 6 but has not committed himself as yet to releasing the Agency from the requirement of responding in writing to the questions. See Memorandum of Record for details.

3. [REDACTED] Met with Mr. Frank Sanders, House Appropriations Committee staff, who requested for Committee use in studying the DIA building requests such unclassified information as we can provide as to Headquarters square footage and square foot costs. Program figures would be adequate. He has no real need for final actual cost figures. I told him that I would relay his request and be back in touch with him the first of the week.

4. [REDACTED] I met with Miss Pat McC, Assistant to Congressman Ogden R. Reid, and received from her a copy of the Congressman's letter of May 11 to the Executive Vice President of the Newspaper Guild of New York. Information received by IO Division indirectly from the Guild had indicated that Mr. Reid's letter stated that he expected action on this bill within the week. The letter does not substantiate this report. J
